Please Email:

- name and Tel no.

Private bookings are the same price as a normal scheduled class. Morning sessions tend to start at 10am and afternoon ones may start at 1.30 or 2pm dependent on if there is a morning class at Leyland Studio. Weekdays are very flexible. If it's a weekend required with only a couple people, I may advertise a listing to get more bookings. For groups larger than 7, please contact me about possible venues, as I know some free ones around Leyland.

Other Helpful Tips

Finish times are a guide as people work at their own pace. Under 18's must attend with a paying adult.

Leyland Studio: Full address upon booking, central Leyland PR25 3FE near M6 J28. 15 min. walk to train. Parking also on Balcarres Road. Free brews, cordial, herbal and, decaf!

H&S: Eating is unsuitable in glass classes; lidded cups protect against shards and glass dust. Nickel wire is used in glass fusing. If any students have health issues, please let me know 48 hours before the class so that I can advise/plan. Leyland Studio has 2 steps leading up to the entrance and no ramp.

PLEASE BRING: A carrier bag to take art home (except fused glass), and reading glasses for in-class notes. I have plastic aprons but you may wish to bring your own. Having a design idea saves time.

POSTAGE FOR FUSED GLASS: It is advisable to collect your delicate glass after it has been fired, usually in 1 week. Although I pack it well, I'm not liable for loss/damage in the post. Many items fit into a 'small parcel' size, (approx. £3.50 'Tracked 48') Jewellery fits in a 'large letter'.

Cancellations

Please double check your diary. Workshops require pre-planning, ordering supplies, tools, booking time, and leaflets. There's an 8 week full refund policy. Thank you for understanding and supporting my small business.
